

#### Liability Statement:

ECO performance solutions Ltd. trading as VTC electronic performance provides emission related software solutions designed to enhance vehicle performance and efficiency. While we strive to offer reliable and effective products, it's important for our customers to understand their responsibilities and liabilities when using our services.

#### Local Laws and Legislation:

Customers should be aware that emission control laws and regulations vary from region to region and are subject to change. It is the responsibility of the customer to ensure compliance with all applicable local, state, and federal laws regarding vehicle emissions and modifications. This includes but is not limited to emissions standards, vehicle safety regulations, and environmental protection laws.

#### Off-Road Use Recommendation:

Our emission software solutions are intended for off-road use only. While these modifications may enhance vehicle performance and efficiency, they are not intended for use on public roads or highways. It is the responsibility of the customer to use our products responsibly and in accordance with all applicable laws and regulations.

#### Customer Awareness and Consent:

By using our emission software services, customers acknowledge that they have read and understood this liability statement. Customers also acknowledge that they are solely responsible for any legal consequences or liabilities resulting from the use of our products.

**Limitation of Liability:** ECO performance solutions Ltd. trading as VTC electronic performance shall not be liable for any damages, losses, or legal repercussions arising from the use of our emission software products. This includes but is not limited to fines, penalties, vehicle damage, or accidents resulting from non-compliance with local laws and regulations.

#### Consultation with Legal Professionals:

We recommend that customers consult with legal professionals or regulatory authorities in their area to ensure compliance with all applicable laws and regulations before using our emission software products.

#### Continued Compliance:

It is the responsibility of the customer to stay informed about changes to local laws and regulations that may impact the use of our products. ECO performance solutions Ltd. trading as VTC electronic performance reserves the right to update this liability statement as needed to reflect changes in laws, regulations, or company policies.
